

Cameron Estates

Community Services District

The Mission of the Cameron Estates Community Services District is to construct and maintain district roadways, define and designate riding trails, and to represent the residents in issues that would have an effect on the community.

Newsletter- November 2016

Next CECSO Regular Meeting: Thursday, November 17, 7 p.m.

Meetings are at LOTH Church, 3100 Rodeo Road, Cameron Park, 7:00 p.m., the 3rd Thursday of every other month. The Agenda and meeting documents are posted at the green monuments by the entrance gates and on the CECSO website 72 hours prior to the meeting. **The Board invites and welcomes you to attend.**

Do not tape signs to the rock gate pillars, any posts or green monuments anywhere in the District. Stop ruining our beautiful entrance gate rockwork! The glue from tape ruins the finish and has to be repaired. You must only use wooden stakes or frames for your signs. If you need a ground mounted A-Frame, you may borrow one from the District by calling Doris Miller at 530-677-7279. We have plenty for your use.

New Gate Code Policy

The gate code will no longer be displayed on the gate computer screen starting around November 1st so then the only way our guests can enter the District is for us to give them the code. If we forget to give them the code then they will have to call from their cell phone & get the code. Guests can also use the scroll up/down menu at the computer screen at the gate and "CALL" your home land line. Cell phones at home will not work with this "CALL" system -- only a land line through the telephone company will work with this system. There is not an actual phone at the gates--just a keypad system hooked up to the AT&T telephone line. A guest finds your last name in the scroll up/down menu and then they press the "CALL" button and the phone line takes over and calls your house and you pick up. You press "9" on your phone and the gate opens --you can hear it open and the line is fairly clear so you could talk to the person.

The remote transmitters/clickers that you currently have and are using will continue to be usable --no change and no need to purchase new ones.

Remember that residents and our guests and invitees will still be able to easily come into the District by using their remote gate clicker or by keying in a code on the keypad at the gate. All residents will be given the access code to use and to give to guests/ invitees.

Classified Ads

This is a free service for residents. Please submit postings for the newsletter by the 1st of the month. (CECSO Board of Directors has not verified the accuracy of the Classified Advertisements and does not endorse or recommend the advertisers, products, or services offered.)
