

Cameron Estates

Community Services District

The Mission of the Cameron Estates Community Services District is to construct and maintain district roadways, define and designate riding trails, and to represent the residents in issues that would have an effect on the community.

Next CECSO Regular Meeting: Thursday, November 15, 2018 at 7 p.m.

The Board invites and welcomes you to attend.

Meetings are at LOTH Church, 3100 Rodeo Road, Cameron Park, 7:00 p.m., the 3rd Thursday of every other month. The Agenda and relevant meeting documents are posted at the green monuments by the entrance gates and on the CECSO website www.cameronestates.net 72 hours prior to the meeting.

Clear your Yards: Dangerous Fire Season!

As we are all well aware of the wildfires throughout California, **please** cut your weeds, and trim your trees and brush back from the roads and road easements. Make sure you look at the whole tree or bush and cut them back to clear the road easement 10 feet from the edge of the road asphalt and 13 feet 6 inches above it. Insurance companies are starting to cancel policies for homeowners living in dangerous fire areas, as well as canceling policies for homeowners that live next to a property that is not fire safe!! For valuable information on wildfire prevention and **safety tips while cutting weeds**, go to: <http://www.preventwildfireca.org/> Please be sure to remove the cut debris as well.

Temporary Gate Codes for Events

If you are having a large event, or work done on your property, the District office can issue you a temporary gate entrance code to give to your gardener, contractor or guests. Call the District office to arrange for a temporary code.

Notices From the Board of Directors

1. The Board voted to place Ballot **Measure H**, in the November 6th General Election, asking the voters to increase the Special Tax by \$345 over and above the current special tax rate of \$250 per parcel per year. If approved the special tax would increase to \$595 per year and would bring in an additional \$100,740 for road improvements and maintenance. The current special tax has not increased in over 30 years and is not enough to keep up with the increasing costs of road repair and maintenance. In order to create and maintain safe drivable roads our District needs more revenues and needs your support to achieve this. Please see the attached Fact Sheet to get more information and understanding as to why the Board has placed Measure H on the November ballot.

2. On October 2 – 5, 2018 Outback Construction Inc., will be starting construction to repair several areas of the roads on Ridge Pass Road and on Lariat Road, from Strolling Hills Road to Ridge Pass. Please avoid driving through these streets during this time, unless you live on those roads. Be prepared as delay times getting through may be 5 – 10 minutes. **Please drive slowly around the construction sites!!**

Positive Thought for the Month:

“Change the way you look at things and the things you look at change.” Wayne W. Dyer, Motivational Author.

Gate Transmitters: Gate clickers can be purchased for \$45 at the District Office from the General Manager, Karen Moonitz 530-677-5889. Please call for an appointment.

Gate Transmitter Battery Replacement: Duracell security 21/23(12v NM21/A23) or another brand equivalent.
