4 Director Positions on the November Ballot

Please consider running for the office of Board of Director for our District.

Road construction experience is not needed but helpful. There will be 4 director terms up for re-election on the CECSO Board of Directors on the November 6, 2018 election. Declaration of Candidacy forms for eligible candidates will be available at the Elections Department July 16th and must be filed at that department by August 10th. It does not cost anything to do this and run for the position and you will be given good training if elected. Please look at the attached Notice for more information.

Temporary Gate Codes for Events

If you are having a large event, or work done on your property, the District office can issue you a temporary gate entrance code to give to your gardener, contractor or guests. Call the District office to arrange for a temporary code.
