

Cameron Estates Community Services District

The Mission of the Cameron Estates Community Services District is to construct and maintain district roadways, define and designate riding trails, and to represent the residents in issues that would have an effect on the community.

Newsletter – February 2019 Happy Valentine's Day!

Next CECSO Regular Meeting: Thursday, March 21, 2019 at 7 p.m.

The Board invites and welcomes you to attend.

Meetings are at LOTH Church, 3100 Rodeo Road, Cameron Park, 7:00 p.m., the 3rd Thursday of every other month. The Agenda and relevant meeting documents are posted at the green monuments by the entrance gates and on the CECSO website www.cameronestates.net 72 hours prior to the meeting.

Roadside Weed Abatement This Month

On February 5th, weather permitting, Jones Bros Pest Control Inc., will be spraying the District's roadside easements to control weeds and brush. If you choose to put up "No Spray" signs on your roadside easement make sure you remove any weeds, brush and tree limbs 10 feet back from the edge of the road. If you do not do this your roadside easement will be sprayed on the second treatment, usually done in April. Please remove all cut debris from your roadside easements to prevent culverts, drainage ditches and swales from getting clogged.

Temporary Gate Code for Events

If you are having a large event, or work done on your property, the District office can issue you a temporary gate entrance code to give to your gardener, contractor or guests. Call the District office to arrange for a temporary code.

Notices From the Board of Directors

1. Please do not tape notices to the gate pillars! The glue from the tape leaves residue on the stones which damages the finish. Call the District office to borrow an A frame to display your signs. If we find signs taped to the pillars they will be removed!

2. We are finally getting a lot of rain! Please check the culverts, swales and ditches on your property near the roads to make sure they are clear of debris and will allow water to flow freely to the creeks and off the road. If they are plugged up clear them! If they remain plugged up, rain water flows over the roads causing more damage and flooding! If you live near a creek, make sure you remove any debris near it that could get swept away by the rising current in a rainstorm as it can cause a blockage or flood downstream.

:) Who has been pruning the Juniper bushes by the Strolling Hills gate stone pillars?? Karen would like to arrange a work party to help! Please email her at: karenbguthrie@gmail.com

Positive Thought for the Month

"Love is the greatest thing of all, so give it to everybody, everyday...Love is not the most important thing; it is the only thing." Musician Doug Seegers

"Love is much stronger than hatred, and it's much more powerful than fear." Director Guillermo Del Toro

Gate Transmitters: Gate clickers can be purchased for \$45 at the District Office from the General Manager, Karen Moonitz 530-677-5889. Please call for an appointment.

Gate Transmitter Battery Replacement: Duracell security 21/23(12v NM21/A23) or another brand equivalent.
