Due Upon Completion: \$0.00 Loaner	Net 30	Monthly Service: \$0.00
Client Contact Name:		
This is an addendum to Client Agreement #		
Special Instructions:		

Scope Includes

Sonitrol will install a single All-In-One camera at the Mini Storage Gate, replacing the License Plate Camera. This All-In-One will remain in place for a 30 day trial (extended to expire on December 19, 2018) to see if it will be compatible with the network at site and also license plate recognition. At the 30 day expiration (extended to expire on December 19, 2018) Cameron Estates will be given the opportunity to move forward with replacing all of the cameras at Mini Storage Gate. A credit for the cost of the old equipment to be removed will be applied to this purchase. If Cameron Estates does not want to move forward Sonitrol will remove the All-In-One and replace the camera removed to perform this test. For any reason if Cameron Estates chooses not to move forward and the loaner is not able to be retrieved, then \$820.00 will be billed to Cameron Estates.

Trial Date Expiration: December 19, 2018 - *Adrian says through December.*

Mini Storage Gate

Part Number	Qty	Description
VX-4V-OD-RI-S	1	4MP IP Outdoor Dome W/IR & 2.8mm-12mm All-in-one w/ 64GB SD Card

This is an addendum to Client Agreement # M11591		
Special Instructions:		

Scope Includes

Upgrade of all three cameras from analog to new all-in-one IP cameras. New IP cameras resolution would be an upgrade of 0.38MP to 4MP providing much higher resolution image. All three new cameras will have IR-onboard as well as on-board SD card storage. The three new IP cameras will also record directly to the Network Storage that is located locally at the gate.

All 3 cameras will operate independently of each other and will be accessible remotely. The cameras will also come with health monitoring that will generate an alert directly to our service department upon detection of an issue. This includes proper camera operation as well as camera connectivity to the internet

Mini Storage Gate

Part Number	Qty	Description
VX-4V-OD-RI-S	1	4MP IP Outdoor Dome W/IR & 2.8mm-12mm All-in-one w/ 64GB SD Card
